

Haztrakr

EMERGENCY RESPONDERS • REGULATORS • BUSINESSES COMMUNITY

Satisfy AB 2286 Requirements! Access HMBEPs on Smart Phones!

What is it?

- Create, complete, manage, authenticate and submit electronic forms.
- Review, update and compare your online submittals
- Automatically communicate with businesses
- Integrate with your existing system
- Secure your information with digital signature technology.
- Use online payments to facilitate your billing needs

Why us?

- **Experience** Over 10 years of experience with online submittals.
- **Expertise** Going online is complicated. Networking and security constraints, integration: we'll help you navigate the process. Staff and regulated facility training (also available in Spanish)
- **Extendible** Built on the eCompliance.NET framework comprised of XML, metadata and PKI technologies, Haztrakr can extend to other programs and jurisdictions

Grants available!
